

BUSINESS DELEGATION SUPPORT SERVICES

**Are your members looking for partners,
clients and market information in the
United States?**

**Would you like to offer them a competitive
edge and profitable opportunities?**

The European-American Business Organization, Inc. (EABO) has the experience, network and tools to organize optimal match-making events for you and your members.

We organize cross-industry and industry-specific match-making events as well as individual meetings for firms.

Our services ensure an excellent return on investment in entering the world's largest, most complex marketplace.

EABO support includes:

- Contacting and qualifying interested companies across various industries.
- Creating highly professional marketing materials, customized for America.
- Offering comprehensive services for organizing match-making events and meetings with firms, research institutes and government officials.
- Arranging logistical support - transportation, hotel, office and conference facilities, catering, etc.
- Assisting with effective follow-up actions.
- Facilitating the understanding of U.S. markets, supply chains, compliance issues, business procedures, negotiation techniques, legal and tax concerns, etc.
